

You can make all your bill payments day or night, from anywhere in the world, as long as you use TelPay's bill payment solutions. No postage, envelopes, or mailing required. Payment is drawn directly from your bank account. You have full control over the amount paid and the ability to post-date, change or cancel payments. Complete payment history is available at any time.

Personal Payments: Fill out your application online at www.telipay.ca/ppay3.html or call TelPay at 1-800-665-0302. Payments by phone can be made to more than 2,500 standard billers while payments by Internet can be made to any person or organization in Canada.

Business Payments: BusinessConnect® is a comprehensive payment system that handles bill payments, employee payments and much more. To gain the ability to pay anyone in Canada, visit www.telipaybusinessconnect.ca

Who is TelPay e-Payment Services?

TelPay Incorporated is a 20 year old Canadian pioneer in e-payment systems. Now Canada's largest, independent processor of electronic payments, last year TelPay handled 17 million transactions worth \$6.5 billion. Visit us at www.telipay.ca
