

## Appliances Containing Freon

The Portage la Prairie Regional Landfill will be implementing the following program and fees to ensure that all Appliances Containing Freon are handled properly.

- Appliances with Freon Removed: The new fee for disposal of appliances with Freon removed and ticketed by a licenced technician will be \$9.00.
- Appliances with Freon: Any appliances without the Freon removed will be assessed a new fee of \$45.00 for disposal at the Landfill.
- Examples of appliances containing Freon are: refrigerators, freezers, air conditioners, and water coolers
