

The City of Portage la Prairie is interested in working with local organizations to improve and enrich the lives of its residents. We are interested in supporting grant applications from local organizations that meet this goal.

Application for 2021 Grants are accepted in person or by email at City Hall to September 11, 2020. Email address is: grants@city-plap.com. An application is considered complete provided the application form is completed and the organization's financial statements are provided. Applicants will be advised of the outcomes of their application in early 2021 as this approval process is part of the annual budget approved by the City Council.

What purpose will we use this grant for?

Will you be using other funding, grants, etc to fulfill the above purpose in addition to this grant funding? If so, explain.

How will this grant and your organization improve the enrich the lives of our city's residents?

If applicable, please provide a brief summary of how last year's City of Portage la Prairie Community Grant was used?

You are required to attach a copy of your 2019 final financial statements and interim 2020 financial statements. If your organization is asking for operating funding, please explain how your organization is expecting to become more self-sustainable in future years. Organizations requesting grants and have surplus funding on their 2019 final financial statements must explain why they are not using their surplus funding instead of requesting this grant.
