

## Ajay Aggarwal (M.B.A., B.E, D.C.O.P.)

Ajay holds a **Master's degree in Business Administration, Bachelors of Engineering** in Electronics and Tele-Communications and has 16 years of senior management experience working with multinational companies before coming to Canada. Ajay came to Portage la Prairie in 2010 and since then has called Portage his home. He has used his entrepreneurial skills by investing in various businesses (**Olina Jewel Inc., Olina Fashions, Olina Development and Leasing Corporation** , and **Taste of Spice Inc.** to name a few) in Portage la Prairie. Ajay is very passionate about his community whether it was in India or in Portage la Prairie.

Ajay is a DOER, with 30 years of business and senior management experience under his belt and his easy accessible persona. He feels that he can contribute immensely to help make positive and constructive decisions that will affect Portage la Prairie in the long run. He believes in a thriving community where there is safety and security, affordable public transportation, lower taxes and enough business and employable opportunities. He believes in people's participation, transparency and accountability.

In his bid for City Council he wants to focus on the following:

- Making Portage SAFE AND CRIME FREE.
- Making Homelessness, rare, brief and non-recurring.
- Create basic infrastructure like affordable public transport and public washrooms in downtown.
- Exploring the possibility of having a branch of University of Manitoba/Winnipeg in Portage la Prairie and even the possibility of opening **University of Portage of Prairie.**
- Engaging the youth in constructive and community-oriented activities.
- Reduce Taxes and explore other revenue sources for the city.
- To give a new dimension to the political scenario of economic growth and make the future council be perceived as people friendly.

Ajay believes that '**Working Together For Change**' is the only option to take this city to next level of growth. To know more about his vision and programs you can reach his Facebook/Instagram page **#ajayolina.**
