

# Rhonda McCutcheon (nee Schapansky)

My husband Derek and I have been married for 25 years and have 2 boys. One has graduated and one is still in High School. I have been part of this great City for almost 30 years.

Thank you for your support in trusting me in a position of Portage la Prairie School Trustee. I will work as a member of a strong team that is there on behalf of the students, parents/guardians and staff for the betterment of the community.

I have worked as a bookkeeper for small private businesses as well as larger Corporations for 28 years. My husband and I have operated Off the Top, our own business in downtown Portage for 24 years.

I volunteered in the Elementary school when my kids started school. My interest in the school system started to develop when I got involved with Canadian Parents for French and was part of the executive for 7 years. I enjoyed helping to come up with ideas and seeing them come to fruition with the help of a great team for the enrichment of the students and their families.

I volunteered with the Salvation Army for 10 years. I was also involved through Derek with the Rotary club and participated in many community activities.

We should be passionate about seeing students excel and thrive no matter which direction they want to go Academic, Vocational which will improve their future. I want to be part of a team that our goal is to elevate our students and the education system.
