

Faron Nicholls

I was born and raised in Portage la Prairie, and also had the opportunity to spend nine years in the north in the late 70's and early 80's, splitting my time between Nunavut and Thompson, Manitoba.

My wife Shirley and I raised our two children in Portage la Prairie and are now very much enjoying our grandchildren.

After spending my entire career with the Province of Manitoba, I retired in 2020 after serving 34 years. My role as Property Manager with the Province of Manitoba encompassed report writing, capital projects, financial budgeting, and human resources. I am currently employed seasonally with Enns Brothers here in Portage la Prairie.

I've participated in and chaired many volunteer-based organizations, committees, and boards. The number of organizations that are busy working and providing for our citizens in Portage la Prairie and our rural neighbors is truly monumental.

Portage la Prairie, in my opinion, is a place for people, and people of all generations. It is critical that we keep moving forward with our best laid plans and new possibilities.

There is work to continue and work to catch up on in all facets of our city, and I am ready to get to work!

I am extremely honored to be a consideration for you, the citizens of our community, as Councillor for the City of Portage la Prairie on election day, October 26th.
