

# Gregg Waldvogel

My name is Gregg Waldvogel, I am a retired Administrator/Teacher from the Portage la Prairie School Division. I started my teaching career in 1986 in Oakville and later moved to Crescentview School and then Portage Collegiate Institute as Principal. I retired June 30<sup>th</sup>, 2021, with 36 years of educational experience. During my time, I was involved in the introduction and implementation of programs that still exist today. I believe in providing the best education for all students and have the knowledge and expertise to achieve that goal.

My family has lived in Portage la Prairie for 36 years. In that time, I have been a coach, athlete and volunteer in the community. My wife Tracy actively volunteers her time in the community. Our sons, Tanner and Zack both have made Portage la Prairie their home after completing their time playing for the Portage Terriers. My Dad always said when you retire it is time to give back. I am looking at this as an opportunity to do so.
